## D. HECHINGER & CO.

Nearly all who have visited Maysville's Fairs know that all courtesies that can be extended are received at Hechinger's Clothing House. It is generally believed that the Elks Fair will excel all previous Fairs held here before. Doubtless hundreds of people will be here who have not attended former Maysville Fairs. To friends and strangers we extend the hospitality of our house; come in and make yourselves perfectly at home. Incidentally, if you have any curiosity, we can tell you what men of fashion will wear this fall and winter. Ask us. We have got in our entire Fall and Winter Stock of Clothing, Gents' Furnishing Goods, Hats, etc.

To those who wear our Clothing it is a well-known fact that we handle the very best, namely, Stein-Bloch, L. Adler Bros. & Co., Michaels, Stern & Co., Garson, Meyer & Co., all Rochester made goods, which city is noted for making the best men's and Boys' Clothing in the world. We have sold them for years, and our experience has been we have never had a dissatisfied customer who bought any of the above named brands. Our John B. Stetson Co. fall line of Hats is now open for your inspection; we want you to see them. You will not be importuned to buy; we just want you to look at them.

Our Neckwear and Shirt Departments are replete with the latest novelties for this fall. Ask us to show you the "Fun-Store Tie." Gentlemen who are going to attend the Fair Hops during the week, and did not bring their dress suits with them, can secure very handsome ones from us for the occasion. How about your feet? Hope they are not worrying you. No man can develop the better part of his nature while his feet ache. Aside from making himself disagreeable to others, he loses considerable of life's sunshine. He is thinking of his feet. It is good business to buy shoes intelligently. The Hanan & Son, W. L. Douglas, both of which lines are confined to us, are the smartest shoes for men on the market. They wear longest, look best and feel broken-in from the start. We warrant every pair that we sell; money back if they do not give satisfaction.

Once more, come in and see us while you are in town, whether you want to buy or not.

It looks like some of the Goodwin lawyers were experiencing a change of heart, as several have engaged to defend the "suspects" in their usual trials. If the accused could only be heard before honest Judges and non-partisan Jurors, there would be more respect for the judiciary of the state.

JUDGE J. D. WYATT of Ewing, Fleming county, is a candidate for Prison Commissioner. Judge WYATT belongs to the newspaper guild, and as they get very little recognition for their services to their party it will be a graceful thing for the Democracy to name him for the office to which he aspires.

The Rev. E. L. Powell, Pastor of the First Christian Church at Louisville, has announced that one service in each month this winter will be delivered by him in a lecture. "Mr. Chisholm speaks in highest terms of Doan's Kidney Pills. He procured them at J. J. **It Takes a Remedy of Uncommon Merit to Draw the Unqualified Praise of a Successful Practitioner.**

Dr. J. W. Bates of Corfu, N. Y., states:

"A most remarkable case has come under my hands of late and has fully convinced me of the wonderful power of Dr. A. W. Chase's Nerve Pills over diseases of the nerves."

"A young lady who was treated for over two years for epilepsy by two doctors was given up to die. I found that her sickness was not epilepsy, but nervous troubles, due to menstrual derangements, and prescribed four of Dr. Chase's Nerve Pills a day, after meals and at bedtime. Since that time she has not had a single bad spell. Her health has rapidly improved, she has gained about 15 pounds in weight, and I do not hesitate to state that Dr. A. W. Chase's Nerve Pills have saved her life and restored her to health."

Mrs. Fawcett of Marietta St., St. Clairsville, O., says: "I have used Dr. A. W. Chase's Nerve Pills and can recommend them to others as a good sound restorative nerve and general tonic. When I got the box of the Pills I was complaining of nervousness, weakness and pain through the shoulders—rheumatic in type—edginess and over good as usual. The effect of the medicine has been very satisfactory indeed. So marked has been the change towards health and comfort I can conscientiously say they are fine and what they are represented to be. At my age and age I feel I am getting all the benefit possible."

Mrs. M. J. Hubbard of Railroad Avenue, Sistersville, W. Va., says: "I like Dr. A. W. Chase's Nerve Pills. I was nervous, excitable, unable to sleep. I had not taken the medicine long when my nerves were steady and strong—my physical strength and energy back and my sleep sound and natural."

Make the portrait and signature of Dr. A. W. Chase are on every box. Price 50 cents a box—Six boxes for \$2.50. Manufactured by the Dr. A. W. Chase Medicine Co., Buffalo, N. Y.

### AT WAR BESIEGED.

Liberals or Insurgents Command the Entrance to the Harbor of Bocas Del Toro.

**ARE COMMANDED BY A NICARAAGUAN**

They are Fairly Well Armed, Possessing Two Cannon, as Well as Plenty of Ammunition.

**The Opposing Forces Have Occasionally Exchanged Shots—Each Side Awaiting the Other to Begin the Battle.**

Colon, Colombia, Aug. 31. (Delayed three days by the censor).—Bocas Del Toro, 40 miles west of Colon, is virtually besieged by the liberals, or insurgents. They number at least 200, and occupy Provision Island, which is opposite the town, and command the entrance to the harbor. They are fairly well armed, possessing two small modern cannon, as well as plenty of ammunition, and are commanded by a Nicaraguan and Costa Rican liberals.

For nearly a month the liberals have been threatening the town. About a fortnight ago they improved their position on Provision Island, about a mile and a half from Bocas Del Toro, which also is on an island, and the opposing forces have occasionally exchanged shots, although, with the exception of one Jamaican wounded, there have been no casualties.

**The Harbor Obstruction.**

The ill-planned obstructions, and the situation is likely to remain as it is until one side or the other makes an attack. Such an action would mean not only the capture of the severe fire of their opponents, as it would be necessary to pass from Bocas Del Toro to Provision Island, but would mean a battle on open boats. Neither side is inclined to take the risk.

The government has about 170 men there, and the town can only be reached by very light draught steamers through roundabout channels.

The United States, French, British and German consuls are in Bocas Del Toro. The Colombian commander there that if the severe harbor restrictions, interrupting commerce, were not abolished, they would call for gunboats. These representations resulted in a limited improvement only in harbor conditions.

Peru has also sent a gunboat to Bocas Del Toro has made an urgent appeal to the United States consul in Colon to send a gunboat.

The United States consul in Colon, Mr. Machin, is fully informed of the situation, and if this does not improve shortly the Machin probably will proceed to Bocas Del Toro.

# MR. W. C. CURRAN.

The Frankfort Roundabout Pays a Deserved Compliment.

The Frankfort Roundabout then speaks of an ex-Maysville man:

We regret exceedingly to announce that Dr. W. C. Curran, who has been with Dr. S. B. Holmes in his drugstore, this city for several years, has resigned his position in order to accept a more lucrative place with a Philadelphia wholesale house.

Dr. Curran is a regular graduated pharmacist, a first-class business man, and better than all, a gentleman in every sense of the word.

While we are glad to know that he has a better position financially, we regret to lose him from our community, where he has made a host of friends by his urbanity and uprightness of life. We wish him abundant success in his new field.

Next Sunday the Christian Churches will take up an offering for Church Extension.

There is more church in this section of the country than all other sections put together, and until the last few years was supposed to be immune. For a great many years doctors pronounced it a local disease, and prevented local remedies, and by constantly failing to cure with local treatment, pronounced it incurable, because have given cause to be a constitutional disease, and there are no real constitutional diseases. But the cure, manufactured by J. J. Cherry & Co., Toledo, Ohio, is now on the market, and it is taken internally in doses from ten drops to a teaspoonful. It is directly on the blood and mucous surfaces of the system. The one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: J. J. CHERRY & CO., Toledo, O.
